Imperial Potentate's Message

By GEORGE H. ROWE
Imperial Potentate

To the Nobility of North America,

To the Illustrious Potentate and Nobles, Crescent Temple, A.A.O.N.M.S., Atlantic City, N. J.,

To the Director-General of the Imperial Council Session and Staff,

To the Mayor and Citizens of Atlantic City,

For the fifth time in some forty desert moons, the gates of your playground city have opened wide that there might enter the Caravans of the Temples of the Ancient Arabic Order Nobles of the Mystic Shrine.

Shriners from every state in the Union, from Canada, from Hawaii, from Alaska, from Mexico and from the Canal Zone—have come out of the North, South, East and West—that in your city of palaces they might celebrate the splendor of their Oriental Rites, regale themselves in jeweled costumes, revel in pageantry and feast in the manner of true sons of the desert.

Your sumptuous abodes—the marvel of western art—will for a time be the Mosques inhabited by these desert sons—the Shriners of North America.

Their uniformed patrols, their singing chanters, their legions of honor, their drum corps and their bands—will parade the wide streets of your playground city.

This pageantry will be pictured 'round the world and it is well.

But it is the further wish of the Imperial Potentate that the Red Fez of a Shriner will bring to your city and its people a new understanding of the broad principals of toleration, charity, benevolence and unselfish friendship which motivate the Shrine.

For behind the Smile of a Shriner is a heart that beats for all humanity. While he stops to enjoy the pleasantries of life he still stands as the patron of the largest private philanthropy in the world—the Nation wide group of Shrine Hospitals free to the crippled children of North America.

The Shrine wishes for Atlantic City, her hospitable people and her welcoming institutions, the blessings of Allah forever.

Imperial Potentate, A.A.O.N.M.S.

KARL REX HAMMERS

Deputy Imperial Potentate

Eight years after Syria Temple came into being, thru the granting of its charter by Imperial Council on May 27, 1877, Karl Rex Hammers was born in the Pennsylvania town of Indiana, a short distance from Pittsburgh. The date, July 27, 1885.

After completing public schools and the Indiana State Teachers' College, he began a career as teacher in the Jefferson County Schools, but for some reason a restlessness, a desire to move among people, to meet them, to study them, caused him to leave the school room behind for the greater school room outside—life itself.

At the age of 24, he joined the H. J. Heinz Company and spent two years on the famous Heinz Pier at Atlantic City. Here he mingled with people, studied their reactions to things and discovered that in that lay his greatest interest—public relations.

Thus he entered the advertising department at the home office, in Pittsburgh, of the famous "57" Varieties firm and gradually worked into the position of designing and directing many of the spectacular food shows and expositions which helped to establish the name of Heinz as a household word around the world.

By this time he had become a Master Mason in Indiana Lodge 313 and began work in Pennsylvania Consistory. In 1915 he was married to Corolyn A. Scanlon, of Pittsburgh.

Always interested in the world of the theater, he found time in his busy youth for the stage, and for a brief period was an end man with the Harry B. Marshall Minstrels and contributed writings to the famous Weber and Fields organization.

In World War I, Noble Hammers served with the National Food Administration under former President Hoover, and in World War II, assumed a leading role in the Treasury Department's campaigns as a lecturer.

During his years with the Heinz Company his activities encompassed the entire field of public relations for, beside advertising and publicity, he pioneered in commercial motion pictures, producing a series of them on food, as well as other scenarios.

He has written thirty-six plays and nine pageants and his understanding and fondness for people led the company to place him in charge of visitors' receptions and also the management of the Auditorium and Service Building, which includes a theater comparable to any on New York's Broadway.

His interest in business has not detracted from an abiding devotion to Masonry. He became T.P. Master of Gourgas Lodge of Perfection in 1926, and served three years as a Trustee of the A. A. S. R. Bodies in Pittsburgh—the largest Bodies in the world. He belongs to Pittsburgh Chapter, Rose Croix, Pennsylvania Council, Princes of Jerusalem, Pittsburgh or Pennsylvania Consistory, the

Royal Order of Scotland—and in 1934 was crowned a 33° Mason at Grand Rapids, Michigan.

Once he crossed the Burning Sands of Syria, his interest in the Shrine never flagged. He filled all the offices in Syria Temple and was elected Illustrious Potentate of the largest Temple of Shrinedom in 1932. Three years later he was elected a Representative to the Imperial Council and has served in that capacity ever since.

He was elected Outer Guard on the Imperial Divan at Detroit in 1937, and since then has devoted his time to the Shrine, both nationally and locally.

Noble Hammers is an honorary member of 75 of the Shrine's 159 Temples, a member of the Cast Pittsburgh Court, Royal Order of Jesters, and belongs to the Tall Cedars of Lebanon, Forest 77.

A Past President of the Masonic Veterans of Western Pennsylvania and a member of Advisory Board, he is a member of the Chamber of Commerce and now serves on the Executive Board of the Convention Bureau.

H. J. Heinz Company has given Noble Hammers a year's leave of absence in order to devote the time necessary to render service to the Ancient Arabic Order Nobles of the Mystic Shrine.

He will visit as many of the Temples of North America as possible.

Welcome Nobles

By Hon. Walter S. Jeffries
Past Potentate Crescent Temple
Trenton, N. J.
Director-General 1947 Imperial Council Sessions
in Atlantic City, N. J.

To the Imperial Potentate, Officers, Representatives and Nobles,

It is my happy privilege on behalf of Crescent Temple and the entire city of Atlantic City to extend to each of you a most cordial welcome. You come to us not as strangers within our gates, but as friends, for whom we have prepared our warmest hospitality.

For eight months Atlantic City and its Nobles have looked forward to having you with us, and we are conscious of the honor you have conferred upon our city by again convening the Imperial Council here.

You are assembled in the midst of friendship. May this Seventy-third Imperial Council long be remembered as the golden page in the history of the Shrine. May every happiness and delight that the "World's Playground" can provide be yours in abundance.

It is our sincere wish that we may exemplify in a small way the hospitality of the Shrine to you. Our "tents" are open to you. You are invited to partake freely of our hospitality and share what we have to offer during the Imperial Sessions. We are glad to have you here. May you have a pleasant time, and when the time comes—all too soon—for you to depart, we wish you God-speed, and give you the Moslem greeting, *"May Allah be with you."* Come back again.
